

Alpha in St. Hilda's

What is Alpha

- Practical introduction to the Christian faith, designed primarily for non-churchgoers
- Over the 6 session (original 15 session) course, the talks address Jesus' life, his death and resurrection
- An integral part of Alpha is the weekend or day away where the focus is on the person and work of the Holy Spirit
- After the talk, guests are divided into groups of ten to twelve people, hosted by a group leader and two helpers, in which they remain for the duration of the course
- The talks act as a catalyst for open discussion in an environment where each person should feel free to ask or express whatever they wish
- At the end of the course a party is held to celebrate the completion of the course
