- Marriage Preparation Course

Set in a fantastic atmosphere where you will be served lunch and snacks in a romantic setting, the marriage preparation course consists of practical talks and couple discussion time that are informative and fun. There is never any group work and you will never be asked to share anything about your relationship with anyone other than your partner. In this course, you will also participate in a comprehensive assessment by Prepare/Enrich Program to help you identify strengths and growth areas in your relationship. Armed with practical tools over these 7 sessions, you are on your way to building a strong foundation for a lasting marriage.
