Date: Wednesday, 28 Nov 2018  
Time: 7.30pm to 9.30pm  
Venue: Chapel of the Resurrection #01-14/15  
We live in a modern age where

scientific theories and discoveries determine what is real and true. Yet what about the theory of evolution? Is there space for Christians to affirm that God supernaturally created the world in six days? And what are some crucial implications of holding on to a belief in either evolution or creation?

Come and hear from Gary Bates of Creation Ministries International (CMI), USA as he shares his understanding of the biblical account of creation and its relation to evolution. A time for Q&A will also be held after the talk.

You may sign up to attend the seminar here: <https://tinyurl.com/garybates> or scan the QR code:
