## An Update on Svay Rieng Education Centre and Multi-Purpose Building

- 1) After the rainy season in November and December, when construction work practically halted, the building is making good progress. It is currently at the stage of pouring concrete for the 3<sup>rd</sup> floor.
- 2) In parallel, we are planning the outfitting for the interior of the building comprising the worship and multi-purpose hall and a large meeting & classroom on the ground floor, 8 small apartments on the 2<sup>nd</sup> floor, and 7 classrooms on the 3<sup>rd</sup> floor. Each floor will have its own bath and toilet facilities. Richard Wee, our church member, a professional Interior Designer, is leading the interior design and outfitting working with local carpenter / furniture contractors.
- 3) We have been talking with the schools in 2 communes, Commune Koek Pring (where Svay Prahoot Village is located) and Commune Chheu Teal which are desirous of our help to provide students and teachers with English tuition, & other subjects (for students), and generally ways of helping to improve their teaching or school standards. Education could include life skills training.

- 4) As a wider part of our community work, when the building is completed, we are also considering planning a 4-day on-site clinic in our new building once every month for dental and general health care for residents. This clinic will be staffed by nurse practitioners (not doctors) who can give primary care, a practice commonly in developing countries. These nurse practitioners will be provided by our medical NGO partner, One2One, on a heavily subsidised basis for us.
- 5) All the ministries above will be supported by evangelistic programs and activities, and pastoral and prayer ministries such as our missions, youth bible camps and children's ministry from SHC.
- 6) The target Building Fund is S\$300,000. So far, we have received about S\$200,000 from your generous giving, but is still short of another S\$100,000. We appeal to our congregation members in SHC to help complete the giving to the target amount.
- 7) We are confident God's grace will enable us to meet this need with His abundance. Thank you and God bless your giving.

*Above report is made after on-site visit by 3 committee members from 12-15 Feb, 2017*
