### THE COLLECT

Almighty God, give us grace to cast away the works of darkness and put on the armour of light, now in the time of this mortal life, in which Your Son Jesus Christ came to us in great humility: so that on the last day, when He shall come again in His glorious majesty to judge the living and the dead, we may rise to the life immortal; through Him who is alive and reigns with You and the Holy Spirit, one God, now and forever. Amen.

## **Sanctuary Update from the Building Committee**

**29<sup>th</sup> Nov 2018**

When the current work on the sanctuary was almost completed, a termite infestation in the roof area was detected. The wooden ceiling planks had 48 planks badly damaged and the ceiling was taken down. There were 10 wooden members of the roof structure that were hidden by the ceiling that were also damaged. Specialist contractors established that the main roof structure is still intact but would only last for another 10-15 years.

Two options were tabled to PCC for restoration of sanctuary.

1. Repair of damaged wooden roof structure with one to one replacement without touching the current roof tile and battens. Cost estimate \$ 295,000. Estimated completion in March 2019.
2. A full replacement of the sanctuary's roof with new roof structures and roof tiles. Cost estimate \$ 560,000. Estimated completion in June 2019.

PCC unanimously decided for option 2.

The following reasons guided the decision:

- Longevity of the solution. Option 1 would confront the next generation of church members with the roof replacement.
- We only have a small number of spare tiles left. Once they are used up, the whole roof would need to be re-tiled because the current tiles are no longer available. Option 1 carries risk of unforeseen accidents with damages to existing roof tiles beyond the spare numbers we have.
- The sanctuary is not yet a preserved building which simplifies projects like this. Once it will be preserved, a roof replacement would likely be more complicated and more expensive.

Visible work on the roof will only commence in February after obtaining the necessary permits.

Please continue to pray for our sanctuary project, especially for the safety of the workers.
