## **SANCTUARY UPDATE**

Church engaged a new Professional Engineer (PE) from RSP who are experienced in dealings on structures of conservation projects. After detailed investigations, the consultant recommended the changing of roof tiles and a replacement of the wooden structure, battens and rafters, as they are 70 years old and unlikely to last decades to come. The seven main trusses of the roof, as advised by our engineer consultant appear not affected by termite infestation on close visual inspection and therefore can be retained. It was further discovered that the roof structures of both vestries and the entrance porch are extensively damaged by termites and need to be replaced.

The PE assisted the church to obtain the necessary approvals from the authorities and in the drafting of the tender to which 6 companies responded. We are happy to report that the tender amount from the successful contractor is within our budget approval granted by Diocese Development Board and our PCC. We hope and pray there will not be any further unforeseen repair needed when we open up the roof.

Work started on 27<sup>th</sup> May and is scheduled to take 7 to 10 weeks. When the roofing contractor finishes his work, the contractor who did our Sanctuary M&E and refurbishing works will re-install all AV equipment, fire protection devices and lights to ready the Sanctuary for reopening. The AV contractor and our sound team will need to tune and ensure the sound system will be operational when we re-open the Sanctuary. All these works are estimated to require 4 weeks. We hope to re-open the Sanctuary for service by the 1<sup>st</sup> week of September 2019.

There will be inconvenience for parking when work commences. With safety being of utmost importance, we asked that members shall not enter the areas around the Sanctuary that will be barricaded.

We pray that God will watch over the entire project, to grant alertness and protection to our contractor and his workers as well as members, children and guests who enter our compound during this period. May His favour be with our church even for the timely obtaining of the licence to reopen and use the sanctuary to which we are looking forward with great anticipation.
