THE COLLECT

Lord God, the protector of all who trust in you, without whom nothing is strong, nothing is holy: increase and multiply upon us your mercy, that you being our ruler and guide, we may so pass through things temporal that we finally lose not the things eternal. Grant this, heavenly Father, for the sake of Jesus Christ our Lord. Amen.

HOME

1. **CHURCH RENOVATIONS**
Please be informed that the commencement of Services in the Sanctuary will be on 30th September. We apologise for the unforeseen delays.

2. **SHK SUNDAY - TODAY**
A special welcome to students, parents and staff of St Hilda's Kindergarten who are with us this morning at the E2 service.

3. **WORDART by Asher**
Asher Lee is 14 years old and has autism. He spoke his first words when he was 8. Even holding a pencil was so difficult. By his parents' unconditional love and unflinching hope in God, speaking God's Word into his heart, Asher now reads and speaks very well. He also draws detailed hand-captioned pictures of the Bible stories he has heard from young, revealing his spiritual insights and special relationship with God. WordArt, and its sequel WordArt2, are beautifully bound collections of Asher's colourful drawings. They are available for purchase for S\$16 each after service at the Bethel Hall Foyer.

4. **REV MARTIN JUNGNIKEL AWAY**
from 19 August to 7 September 2018.

MEMORY VERSE (August 2018)
"How beautiful on the mountains are the feet of those who bring good news, who proclaim peace, who bring good tidings, who proclaim salvation, who say to Zion, "Your God reigns!" Isaiah 52:7 (NIV)

Discovering 4 Pillars of a Healthy Brain

Ageing is inevitable. Every year we see more and more of our elderly in wheelchairs wherever we go. In Singapore today, one in eight are seniors. In 13 years, it is projected, 1 in 4 will be seniors. Increasingly, for many of us, caring for our dear ones suffering from dementia has become a reality and a challenge.

One would agree that maintaining our mental functions is a top priority as we age. We need a healthy brain to achieve that and enjoy life to the fullest.

Hear from Isaiah Chng in this introductory workshop as he shares the latest that science and local practitioners have to offer. In this interactive session, pick up steps to nourish, stimulate and protect your brain while discovering 4 pillars every individual can start with for better brain health.

Isaiah has served in leadership positions in several Christian ministries before promoting geriatric wellness in the workplace and communities. Isaiah has a background in clinical exercise physiology.

'They will still bear fruit in old age, they will stay fresh and green, proclaiming, "The LORD is upright; he is my Rock, and there is no wickedness in him." - Psalm 92: 14-15

This talk will be held on **18 Sept @ 2pm in Daniel Room.**
