Amen.

4. SOUTH SUDAN FAMINE

The newest country in the world, South Sudan, has a population of 12,340,000 and 60.5% of the population is Christian. Today, millions of people in South Sudan are at risk of starvation, hundreds of thousands have fled to neighbouring countries in a desperate quest for food, and many have died because the country is currently going through a famine. We are appealing for all to give generously in a second offertory today so that we may be able to help our brothers and sisters in Christ. This is part of the diocesan effort, through Barnabas Fund, to provide help in South Sudan.

FAMILY

15. NCCS ADVISORY ON DISNEY'S "BEAUTY AND THE BEAST"

Parental discretion and guidance is advised by the National Council of Churches of Singapore for the new Disney movie "Beauty and the Beast" due to a "gay moment" (the words of director Bill Condon) intentionally added to the classic children's story. This effort to normalize the same-sex lifestyle in the minds of young children undermines our responsibility to teach them God's design for the blessing of the human family. Asher Lee is 12 years old and has autism. He spoke his first words when he was 8. His motor skills were weak and it was only after years of therapy that he was able to hold a pencil. Project WordArt was conceived when a Sister-in-Christ noticed Asher's ability to share spiritual insights through his drawings. It also shows up Asher's special relationship with God. Come hear how WordArt has become a blessing to so many. WordArt books will be on sale at \$16 each at the end of both Sunday services on 2nd April.
