### THE COLLECT

Almighty Father, You have given  
Your only Son to die for our sins and  
to rise again for our justification:  
grant us so to put away the leaven of  
malice and wickedness that we may  
always serve You in pureness of  
living and truth; through the merits of  
Your Son Jesus Christ our Lord, who  
is alive and reigns with You, in the  
unity of the Holy Spirit, one God, now  
and forever. Amen.

## MEMORY VERSE

April 2017

*"I tell you the truth, unless a kernel of wheat falls to the ground and dies, it remains only a single seed. But if it dies, it produces many seeds. The man who loves his life will lose it, while the man who hates his life in this world will keep it for eternal life."*

*John 12:24-25*

## **UPDATE ON SVAY RIENG EDUCATION CENTRE & MULTIPURPOSE BUILDNG (“ECMB”) AS AT 25TH APRIL 2017**

1. Since the last update on 15<sup>th</sup> February 2017, the ECMB has changed it pitched (slanting) roof to a flat roof design. See picture below. A flat roof reduces the height of the building by some 16 feet, and makes the structure less prominent in a flat landscape of rice fields all around. A flat roof also yields more usable space as people can use the roof top, especially for leisure and relaxation purpose.
2. The flat roof will cost about USD 10,500 more as it requires the construction of an additional concrete slab like the 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> floor. The roof top will be water-proofed and covered with clay floor tiles.
3. Piping of water lines, electrical wiring and outfitting of lighting, fans, bathroom and toilet fixtures for the 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> floors are in process, including hot water for showers in the bathrooms. Fans and air-bricks are provided to give good ventilation.
4. With improvement in layout design on the 2<sup>nd</sup> floor, we can now comfortably house 30 persons for our teaching staff and longer-term missionaries from SHC, in addition to a 2-room pastoral apartment.
5. By God’s grace, the ECMB will be an aesthetic and functionally efficient building when completed and outfitted by August 2017. The total four floors will yield a usable space of over 12,000 square feet.

6. The building fund donation has now reached SGD **225,000** out of the target of SGD **300,000**. The completed building with improvements and other non-building related items like fencing and pavement of the muddy ground around the building will likely bring final total cost to SGD **380,000**. The excess of SGD 80,000 may have to come out of SHC's reserves.
7. A generous SHC member has donated 287 new tables, and 550 chairs for the seven classrooms and worship-multipurpose hall and 20 beds for the apartments. We appeal to SHC members to further give to the building fund to complete the SGD 300,000 target.
8. In parallel with the "hardware" (building), the team is also working on the "software" programs for community work. More details on this will be given in the next update.
9. Please continue to pray SHC's work in Svay Rieng that God's name will be exalted and many lives saved.

#### **AMPLIFIER, MICROPHONES AND PROJECTOR NEEDED FOR SVAY RIENG EDUCATION CENTRE**

We have re-conditioned our old SHC speakers for the Education Centre. We need new or used amplifier, micro-phones and a projector to complete the sound system. Some good cables are also needed. Please get in touch with Sonny if you are able to help in providing any of these items.
