GO MAKE DISCIPLES

of All Nations

Matthew 28:19

The Province of
South East Asia

ARCHBISHOP'S MESSAGE

Jesus has reminded us that in the last days, there will be more challenges such as troubles – unrest, wars, rumour of wars, refugees, religious, racial and tribal clashes; scandals – deception, falsehood, corruption, human trafficking, transgressing human dignity; climate change – droughts, earthquakes, hurricanes, cyclones, rising seas, forest fires; abuses – drugs, authoritarian control, modern slavery, sex trade, extremisms. Is there an answer?

The simple answer “Jesus loves me this I know, for the Bible tells me so” sums it up. The Word of God informs us, warns us and shows us a way forward. It is recorded in Matthew 28:19 which is “GO MAKE DISCIPLES of all nations....” In order to be relevant and effective, there must be:

Vision – It is to reach all NATIONS or all ethnicities or all people groups. Who is our target group?

Intentionality – It is imperative to GO with no other option. Nothing will happen by chance.

Planning – It is only to MAKE DISCIPLES and not any other. What have we been making?

Passion & Perseverance – It is to RUN the RACE and keep staying focus until the task assigned is completed. No throwing in the towel. Have we change course?

As our Province enters her third decade, we are reminded to stay focus to the Call our forefathers have received which can be expressed in these three words – GO GO GO!

Go to the nations, especially our Deanery countries – Nepal, Thailand, Laos, Cambodia, Vietnam and Indonesia.

Go together in mission and service through the dioceses, parishes, Pynet, Proseams, Empowerment Track and Liturgical Commission.

Go in Grace and Mercy to love God and love our neighbours.

May the good Lord continue to lead and guide us in His steps.

The Most Revd. Datuk Ng Moon Hing

MESSAGE FROM CHAIRMAN OF PYNET

PYNET was formed by the Provincial Standing Committee in February 1997 with the terms of reference as below:

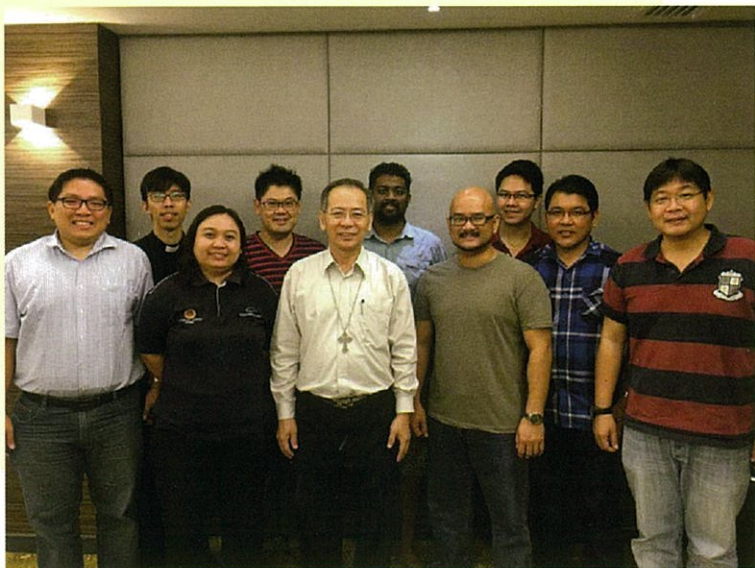

- To share experience
- To strategise for youth work
- To develop youth leadership
- To encourage youth mission

In addition, there is an emphasis on the aspect of networking amongst our youth leaders, workers and pastors.

Over the past 20 years, we have witness a positive progress of networking among youth leaders in the province. Friendships and ministry partnerships were developed over time. As a result, we were able to share resources and exchange of ideas to further enhance the youth ministry at our local dioceses. By staying connected through PYNET, we are able to encourage and pray with each other, just as scripture reminds us, "therefore encourage one another and build each other up, just as in fact you are doing." (1 Thessalonians 5:11).

Do pray with us as we continue to encourage, support and build each other up for the youth work throughout our Province. May we disciple and nurture our next generation to be faithful followers of Jesus Christ.

Major plans are in progress for this exciting event. Momentum has been building since Christian leaders from across the island began seeking the Lord in prayer after the momentous Jubilee Day of Prayer (JDOP) on 5 July 2015 where 51,000 gathered in united prayer with 4,738 viewing it online. Earnest prayers and intentional plans are in progress for

this exciting event. This project is initiated by NCCS and EFOS and has already obtained the full support of Love Singapore leadership (who will be represented on the project's Steering Com) and is being considered by other church groupings & alliances.

Leading this initiative are the leaders of the National Council of Churches (NCCS) and the Evangelical Fellowship of Singapore (EFOS). Chairing the Steering Committee is Bishop Rennis Ponniah. Assisting him are Dr Lawrence Chia (EFOS) as co-chairman; Revd Tony Yeo (EFOS) as Executive Secretary; Revd Lewis Lew (DOS) as Assistant Executive Secretary; and other Christian leaders representing the different Christian denominations.

These leaders intend for it to be more than just another event that will take place in two years' time. Rather, they see it as a journey, a process that will require spiritual preparations, earnest prayers, and bold proclamation of Christ, by every person in our congregations, from children to the elderly. The journey begins now through our churches and Christians in the marketplace, and will culminate when the Church in Singapore comes together at the National Stadium on 17 to 19 May 2019 for three days of Christian rallies to proclaim the One Name that brings life in all its fullness.

17-19 May 2019
NATIONAL STADIUM

"This is not about mass evangelism, but rather it is personal evangelism on a mass scale," said Bishop Rennis. "God is calling us to respond with holiness as followers of Christ; with humility through prayer and with hunger for precious souls."

He explained that this call of God is based on the instructive spiritual pattern from Isaiah 59:20-60:3. The passage teaches us that Revival begins with Repentance from deep within our hearts that leads to Restoration of our covenant relationship with God (holiness); which in turn leads to the Radiance of God's glory in and through His Church. The result is people drawn to God through Christ and the whole land touched and healed by the shining light of Christ (2 Chronicles 7:14; Zechariah 8:23).

THE TRACK FOR CELEBRATION OF HOPE 2019:

2017: Year of Preparation

2018: Year of Prayer

2019: Year of Proclamation

2020: Year of Personal Discipleship

"When I think about the 2015 Jubilee Day of Prayer, I know that only God could have filled the stadium with 50,000 believers united in prayer and worship. The next thing for us to do, following Acts, is to proclaim joyfully and responsibly the Good News of what God in His great love has done for everyone through the death and resurrection of Jesus Christ," said Bishop Rennis.

The latest development in the planning of this event is its success in securing the National Stadium as event venue. Bishop Rennis rejoiced, "It is an amazing provision of God that Sports Hub has accepted our booking. The Churches are presently seeking to raise the full payment for the stadium to secure the booking. What is crucial is that all churches in Singapore begin to equip and mobilize the entire body of Christ in Singapore to responsibly and joyfully reach out with the good news of Jesus Christ to bless our nation and reap a mighty harvest of souls. Pastors in this city of destiny are trusting God for a harvest of souls, a harvest of holiness and a harvest of new workers for God's kingdom.
