# Faith in Family Symposium

We are living in crucial times as the modern family and our values are being redefined and the daily grind threatens the stability of the family. How we relate to each other in marriages and families and how we raise our children will impact the future generations and God's purpose for our nation.

St Hilda's Church is embarking on an exciting journey to discover God's purpose for singles and dating couples, to strengthen relationships between husbands and wives as well as parents and children. By building God-rooted and God-centred families, we can stem the tide of the devil's assaults on our families.

At this Faith in Family Symposium, you will get fresh insights on the state of families in Singapore and the need for a holistic approach to live out our faith grounded at home. You will learn how you can grow in personhood, couplehood, parenthood, church community and external witness. There will also be time for discussion and feedback.

So whether you are single, dating, married with or without children, this symposium is for you. Sign up today!
