This Fund subsidises the hiring of chaplaincy workers so that there can be more pastoral contact and impact among the students.

Discovering 4 Pillars of a Healthy Brain

Ageing is inevitable. Every year we see more and more of our elderly in wheelchairs wherever we go. In Singapore today, one in eight are seniors. In 13 years, it is projected, 1 in 4 will be seniors. Increasingly, for many of us, caring for our dear ones suffering from dementia has become a reality and a challenge.

One would agree that maintaining our mental functions is a top priority as we age. We need a healthy brain to achieve that and enjoy life to the fullest.

Hear from Isaiah Chng in this introductory workshop as he shares the latest that science and local practitioners have to offer. In this interactive session, pick up steps to nourish, stimulate and protect your brain while discovering 4 pillars every individual can start with for better brain health.

Isaiah has served in leadership positions in several Christian ministries before promoting geriatric wellness in the workplace and communities. Isaiah has a background in clinical exercise physiology.

'They will still bear fruit in old age, they will stay fresh and green, proclaiming, "The LORD is upright; he is my Rock, and there is no wickedness in him." - Psalm 92: 14-15

This talk will be held on **18 Sept @ 2pm in Daniel Room.**

Trinity Theological College: Fact Sheet

- Trinity Theological College will celebrate its 70th Anniversary on 5 October 2018 with a service and thanksgiving dinner. A commemorative magazine will also be published. A year-long celebration with monthly events began in January. Details of upcoming events can be found on our website.
- As part of the 70th Anniversary celebration, TTC will also launch an alumni project to raise funds for former prisoners called to the ministry, and a heritage trail. The trail will include a lecture on the history TTC and visits to Changi Prison Chapel and the former College grounds at Mt Sophia. It was at Changi Prison during the Second World War that missionaries interned by the Japanese envisioned the establishment of a union college which was eventually founded in 1948.
- Students at TTC may choose to study in either the English or the Chinese programme. Both basic and advanced degrees are offered by the college. TTC also helps to train new lecturers for seminaries in Asia through its Doctor of Theology programme.
- Currently, TTC is blessed with 21 full-time faculty members from a wide spectrum of churches. Besides lecturing, they continue to make their significant contributions to the growth and witness of the Church through publications, regular preaching in churches, and engagement with contemporary issues from a Christian perspective. Some of their writings may be found on the website of ETHOS Institute of Public Christianity, and also in the TTC newsletter "Trumpet" which is available for download from the college's website.
- TTC continues to offer a wide range of evening courses for lay people through our evening classes. The college offers the Certificate in Christian Ministry (CCM) and Licentiate in Christian Ministry (LCM) programmes. In partnership with the Anglican Diocese and the Singapore Centre for Global Missions, TTC also offers the Certificate in Mission Practice (CMP) programme for Christians who wish to serve a shorter term as missionaries.
