God used the prophet Micah to bring a message of warning to His people who were living in prosperity.

God's prophetic word through Micah is especially relevant to Christians in Singapore today who are surrounded by wealth and luxury.

The course will look at:

- Our God is a covenant-keeping God!
- What are our covenant obligations if we claim to belong to Him?
- Who does God hold responsible for the state of His people?
- How does judgment and hope work in the outworking of God's purposes?
