

## Prayer Pointers for JDOP and the Diocese – (June to July, 2015)

### **1. For JDOP**

- Participation by our Diocese and churches in Singapore

Wherever Jesus was, there was a crowd; Jesus will be at the Singapore Sports Hub responding to our call to Him.

- Pray that God will,  
Give us a sense of responsibility and duty to this nation and the house of our Lord Jesus Christ.  
Understand that worship is a God-shaped vision that extends beyond ourselves; it is for the wider body, our nation, and the nations beyond so that we can truly be a channel of His blessing
- Unite us as one  
We are from diverse backgrounds, spiritual experiences, worship expressions, languages and culture. Only God can unite us as One Body in Christ, through His Spirit. Revival comes when God's people are united; there is unity in diversity  
Let there be a great awakening, like the Church in Acts 2 where everyone is submitted to the leading of the Holy Spirit.
- Our Guest of Honour  
He will sense and experience God's presence and allow God to speak into his heart, so that this nation will continue to thrive and prosper with His blessings and favour
- JDOP Committee  
Deeper unity among members. They will be like-minded, have the same love, be one in spirit and purpose. God's fragrance and wisdom rest upon them.
- Prayer Momentum  
Prepare our hands to be ready, expectant of something that is going to happen at JDOP.

## Prayer Pointers for JDOP and the Diocese – (June to July, 2015)

Pastors of parishes in our Diocese and churches in Singapore will stir up the hearts of their members to actively pray for, prepare for and actively participate in JDOP.

### **2. For the Diocese**

- Single-minded and wholehearted towards God

God bring us back to the place of surrender, to desire what God desires. We will sharpen our hearing and be totally tuned in to God.

- Openness to God against the spirit of fear/intimidation

We will be open to the new ways God wants to do things, even the unfamiliar and the uncomfortable.

Give us the courage to step out in faith, and to be radical for Jesus. God has given us His Holy Spirit that enables us and empowers us to live out our destiny in Christ.

- Discernment

We will be able to differentiate between God's work and the enemy's work. Grant us spiritual sight, alertness to pray against such things, standing firm, rooted in God's solid rock.

- Pastors

We commit every pastor into God's gracious loving hand. Let the fruit of the Holy Spirit manifest in each one of them. Let them always be in alignment with God, receive the Holy Spirit's guidance, enablement and empowerment in their lives. Protect them and their families from the schemes of the enemy. Pour out your precious blood over them.
