THE COLLECT

Almighty God,
who sent your Holy Spirit to be the life and the light of your Church:
open our hearts to the riches of your grace, that we may bring forth
the fruit of the Spirit in love and joy and peace; through Jesus Christ your Son our Lord, who is alive and reigns
with you, in the unity of the
Holy Spirit, one God, now and forever.
Amen.

CE-INTRODUCTION TO THE BIBLE

Dear Brothers and Sisters in Christ,

DON and ACN began the medical relief support in mid-May2021, when Nepal's Covid situation deteriorated and the 2nd wave of infection caused an increase in cases, mainly spreading from India. Due to the poor medical infrastructure in Nepal, many were infected and dying due to lack of oxygen and medical equipment. An appeal for prayer support and funds was sent out by ACN and DON.

ACN proposed that the relief effort be conducted in 2 phases with medical support of 20 oxygen concentrators (OC) and associated equipment. The plan was to set up at least 2 Covid Treatment Centres (CTC) and to provide necessary medical support to the people in need through the ACN churches. A budget amount of SG$120K was proposed for this Nepal medical support. The plan included medical relief support for both Kathmandu and Upper Dhading areas with each CTC supported by 10 OC and 25 beds for a period of about 100 days. This would be staffed by locally supported medical staff and ACN church members. Training was to be conducted for ACN members on how to handle the medical equipment and provide support care. The members were also to be trained as carers to provide necessary care for the sick and assist family members on how to look after the sick.

Due to the ongoing lockdown from 29th April 2021, many people have lost their means of living and are in need of food and medical assistance. The 2nd wave covid infection has created much hardship and suffering to the poor and needy. We praise God for His faithful and loving care for His people. God gave an opportunity for DON and ACN churches to be able to provide some medical help to those in need in Nepal. DON's appeal received an overwhelming support from the Diocese of Singapore, churches and individuals. Through your kind support and prayers, an amount of SG$84,975 was raised, including support from Australian's ARDFA with a contribution of AUD$26,020. Many DOS churches donated generously towards this Nepal Medical Relief effort. With this overwhelming support, DON and ACN decided to proceed for both phases of medical support and to use the resources at different parts of Nepal especially where there was a dire need for medical assistance.

1ST Phase Medical Relief

By the Grace of God and through His divine protection and provision, the medical relief work started from mid-May to July 2021. In the midst of this Covid pandemic, the 1st phase was focused within Kathmandu valley for the poor and those in need of medical help and oxygen. ACN was able to partner a well-established Christian NGO – Human Development Community & Services (HDCS) for this medical relief support through the help of Dr Michael Ong, a Singaporean doctor turned missionary in Nepal.

Through this partnership with HDCS, we were able to smoothly clear Kathmandu(KTM) Airport Customs without any tax payment. We praise God for this partnership. Oxygen Concentrators (OC) and medical equipment was sourced from Singapore and China into Nepal. On 6th June'21, God made it possible for the arrival of the first 10 OC along with other necessary medical equipment to set up the Covid Treatment Centre in Kathmandu. Some of these PPE, N95 mask and medical equipment were purchased in Kathmandu at a lower cost. God in His mercy gave us the Jyabu Community Isolation Centre at Bagdole, Lalitpur without much setup cost. We were able to get this isolation centre which is overseen by the metropolitan of Lalitpur, run by Jyabu community and Sundar Doko Saathi Sewa to setup the Covid treatment centre. Under the leadership of Rev Prem and the ACN team of volunteers, they were able to serve Covid patients seeking help through counselling, prayer and reaching out to relatives that enabled them to see God's love in such a time. Many poor people were able to be treated and taken care of at this centre.

One of the hurdles for the delay in getting across the medical supplies was due to the high demand for OC. Prices kept escalating by the day and yet we were able to bring these medical equipment and OC to Nepal at a reduced rate with support from Rehab Mart c/o Ms Gloria Lee and Dr Cheng YK from All Saints Church. DON spent SG$41,096 for this equipment which were brought over to Nepal from China and Singapore. There was an urgent need to provide PPE, mask, face shields, gloves and sanitizers for the local Pastors/Leaders at the remote villages and communities at Dhading as they were conducting funerals and family prayers for those who had died because of Covid. SG$2,247 was spent to procure these locally at a much lower cost, again made possible by God without delay. We thank God for our ACN Pastors who went out of their way to minister and provide much comfort to many affected by the Covid virus.

2nd Phase of Medical Relief

Another 10 OC arrived at KTM Airport on 21stJune 2021 and cleared again without difficulties from customs and taxes. As planned, a 2nd CTC was established at Upper Dhading, where there was a spike in Covid infection and fatalities. Rev. Prem, Rev Bikash and Dr. Michael led the ACN Covid Team who brought up the 2nd set of OC and medical equipment to Dhading and Sindhupalchowk after a 7-hour drive and 4-hour walk. This tedious journey was hampered by the monsoon season which caused floods, landslides and road blocks. By the grace of God, the 2nd CTC was setup with 5 OC, Oxy mask, PPE sets, medical equipment at a Municipal hospital (village health post) at both Dhading and Sindhupalchowk. Setting up of the CTC was possible with the help of local villages and churches. Many Covid patients were treated at these CTCs. The area village officials were truly appreciative of the medical help and ACN was able to establish links with them. The CTC was able to serve 6000 people from 14 remote villages.

There was a request for medical help to setup a 3rd Bagmati Covid Isolation Centre in Makawanpur by the local village officials. The ACN Covid medical team then journeyed by road and foot to the mountainous village of Makawanpur. Due to the monsoons and rough roads, the drive took 9 hrs and another 5 hrs by foot to reach the village to set up 3rd CTC at a village medical post. The people there were in a hopeless state in the midst of landslides, nonstop rain and an overflowing river. The medical relief team extended medical support to the mountainous villages too. ACN church members worked with the village health care officials to provide necessary medical assistance.

We praise God that we were able to bless many lives through this medical relief effort. A Hindu man who came to seek help from one of our CTC's, shared that he hated Christians as his daughter had become one. However, after seeing the loving help of Christians at the CTC, he has a change of heart. We hope to hear many other testimonies in the coming days.

Total income received through DON was SG$84,975. Total expenses paid to-date for the medical relief support was SG$41,096 for 20 Oxygen Concentrators and Medical support equipment purchased locally and overseas. We are expecting to reimburse more bills for local transport arrangements, medical staff and volunteer's stipend and Covid Treatment Centre rentals etc. DON plans to set aside the balance amount for the continuation of the medical support and for future disaster relief. There are requests to support a possible 3rd wave Covid crisis.

We praise God for the opportunity to reach out to the community in Nepal and be a blessing during this difficult time. We thank God for the many churches, organisations and individuals who have generously contributed towards these efforts. We thank God for using each of you as a blessing in reaching out to many poor and needy families.

PRAY FOR NEPAL

1. Nepal is slowly opening its economy and there is a new Nepal Government in power. Let us pray that God in His mercy and protection will give wisdom to the authorities in managing this process safely.

2. Pray that the Church in Nepal will be able to support the poor and the needy with basic medical relief efforts. Pray for the ACN churches, as they plan to continue providing medical support and to prepare for possible 3rd wave of Covid infections.

3. Through DON/ACN's Medical & Food Relief support, let us pray that many will encounter Christ in the midst of this crisis.

4. Pray that God will grant wisdom to those in authority to help elevate the worsening conditions especially among the poor and needy who have been the hardest hit by this crisis.

5. Pray for God's protection upon the next generation of Nepalese, the children and youth as schools have been closed for long periods. Pray for the churches and pastors, as gatherings are still not allowed in Nepal.

In His Service,
Rev. Canon Steven Asirvatham,
Dean, Deanery of Nepal

三位一体后第九主日祝文

全人类的圣父阿，祢赐我们祢的独生子，取了人的形象，顺服以至于死，且死在十字架上：让我们以基督的心为心，如同主谦卑的样式，使我们与祂在荣耀里；祂是永生，与圣父，圣灵一同掌权，三位一体，从今直到永远。阿们。
