Please pray for Bishop Designate Revd Canon Dr Titus Chung:

- Firstly, thank God for the past Bishops who have served the Diocese of Singapore, for their guidance, teaching, nurturing, and nourishing each person with God's Word and love.
- For that legacy to continue through the appointment of BpD Revd Canon Dr Titus Chung.
- God to continue to give BpD Titus a spirit of wisdom, counsel and compassion that he may discern God's will for the Diocese, as the appointed shepherd, pastor, teacher, and friend.
- God to provide BpD Titus with additional gifts and greater patience that he will need to carry on the ministry of our Lord Jesus Christ in our Diocese.
- For BpD Titus family - Connie his wife and two sons, Theodore and Thaddeus now studying in the UK. For God's favour to be upon them. That God protects them against the attacks of the enemy. Give them peace at all times. Keep them safe, joyful, and united for the glory and honour of Christ Jesus, our Lord.

## Feedback from the participants of The Parenting Course

“Hearing the struggles and joys of other parents was comforting and encouraging. Understanding of myself using the 5 love languages and that of my son was also especially useful as part of the parenting process”.

5 weeks of fun is not enough...the sharing was so insightful.

Thank you for being such wonderful facilitators in getting us to participate and share our experiences more importantly, share with us your own experiences so that it's very much relatable for us...We definitely enjoyed all the sessions and actually don't mind having more!

---

As a young parent, I had a little parenting knowledge, let alone raising kids right. But thank God, thru this course, there is lots of sharing from the facilitators as well as other parents on how they brought up their kids. That is given me so much confidence in raising my son. Thank you all! ♥

It helps me better to understand and communicate with the kids. Also, their needs.

Useful and practical. Learnt a lot from the Facilitators and from other parents too.
